Re: 78-32 (R77-389)

Dear Mr. Cooper:

Pursuant to your request, I have carefully reviewed our recent opinions on access, copies of which are enclosed. The differences in definition result from differing statutes enacted at different times for different purposes. The opinions adopt very different standards, each appropriate for the statutory area covered by the opinion. 77-162 76-4

I would note, however, that the access opinion numbered Op. Atty. Gen. No. 76-4 applies only to state land and does not purport to create rights of access on private land.

Sincerely,

B. E. Babbitt
